

# Sprint Review

29 April 2024/ 14:15 / face-to-face

## Attendees

James Stanton, Herry Ye, Jarren Downward, Ruaan Maharaj

## Meeting notes

- Demonstration:
  - Home Page: Presented the home page layout with the header, navigation, and main content sections.
  - Basic Game Board Setup: Showed the initial setup of the game board with hex tiles.
- Feedback:
  - User tester: Pleased with the home page but suggested that the background image should fit better on different screen sizes.
  - Team: Agreed to implement media queries to improve responsiveness.
- Actions Taken:
  - Added media queries to ensure better responsiveness for the home page.
  - Began work on dynamically adjusting the game board for different screen sizes.
