

Sprint Review

21 April 2024 / 13:00 / face-to-face

Attendees

James Stanton, Herry Ye, Jarren Downward, Ruaan Maharaj

Agenda

- **Last Scrum Follow-up**
- **Addressing issues**

Meeting notes

- **Demonstration:**
 - Login and Registration Pages: Showed the fully functional login and registration pages, including validation.
 - Basic Navigation Setup: Displayed the initial navigation setup for the application.
- **Feedback:**
 - Client: Impressed with the initial layout and functionality. Suggested making the login and registration forms more visually appealing.
 - Team: Noted that the form validation should provide more user-friendly error messages.
- **Actions Taken:**
 - Planned to improve the visual design of forms.
 - Decided to enhance form validation error messages for better user experience.
