

# Sprint

# Retrospective

19 May 2024/22:00 / Discord

## Attendees

James Stanton, Herry Ye, Jarren Downward, Ruaan Maharaj

## Agenda

- **Reflect**
- **Review what we have done for this week before submitting**

## Notes

- Herry says that everything seems good and is done for sprint 4, and now we are ready to submit .
- Everyone agrees that most of everything went well.
- Ruaan mentions that our planning for this sprint was really good, which resulted in getting everything done.
- Everyone agreed.

## Key Takeaways

- Successes:
  - Effective planning led to successful task completion.
  - No major issues or blockers were encountered during the sprint.
  - Team collaboration and communication were strong, contributing to smooth progress.
- Areas for Improvement:
  - While the sprint went well, it's always beneficial to consider any minor adjustments that could further optimize our process in future projects.
