

Daily Scrum

20 April 2024 / 14:00 / Zoom

Attendees

James Stanton, Herry Ye, Jarren Downward, Ruaan Maharaj

Agenda

- **Last Scrum Follow-up**
- **Addressing issues**

Notes

- Ruaan showed his implementation of the third party identity provider. It was suggested by everyone in the team that there should be an option on both the registration and login pages to continue with google.
- Herry suggests a user needs clear indication that they have successfully registered an account and offers to implement it.
- Jarren has completed the database creation and says he will start linking the database to the static web app.
- James says he will start making the tests to test the database link and integrate a code coverage tool to the project.

Action Items

- Third party identity provider on login and registration pages - Ruaan
- Successful registration page - Herry
- Database linking - Jarren
- Testing and code coverage tool integration - James

Next Meeting

Sprint Review- 21 April / 13:00
