Daily Scrum

25 April 2024/ 15:45 / Discord

Attendees

James Stanton, Herry Ye, Jarren Downward, Ruaan Maharaj

Agenda

- **Last Meeting Follow-up**
- **Board Configuration**

Notes

- James presented the board to the group as well as its implementation. Everyone was happy with the design. The board had the correct terrain types, shack positions as well as tower positions. James said he still had to implement the clues on the UI as well as the hints.

- Ruaan explained that the google interface redirected you to the home page upon successful login and registration.

- Jarren shows that the database connection is nearly complete

Action Items

1. Complete board
2. Complete database connection
